Our
Summer Showcase*

Great News!

Our Summer Showcase is open
in downtown Bar Harbor at
52 Cottage Street .

Our goal is to provide a quiet respite in the summer chaos. At the Showcase you can peruse listings, research prices of what other properties have sold for, watch slide shows of beautiful properties and talk to a market expert. We think you will agree that The Swan Agency Sotheby's International Realty's Summer Showcase is a fantastic addition to our repertoire.

Call your broker today or just stop in. We would love to give you a tour of the new project.
